1 A "★" following a place name indicates that the place is coterminous with a MCD and a VTD; indicates that the place is also a *Federal MCD*. In both cases, the MCD name is shown only when it differs from the place name.

2 A "Yellow" VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3 A "●" following a block name indicates that the block number is repeated elsewhere in the block.
